Mission Statement

To provide training and employment for individuals who are blind or visually impaired, to facilitate independence and self-reliance in all aspects of their lives.

Vision Statement

It is the vision of Mississippi Industries for the Blind (MIB) to be the preferred employer of Mississippians who are blind or visually impaired throughout the whole state of Mississippi. MIB will have several manufacturing locations across the state providing employment opportunities. All wages paid will be competitive with commercial organizations. The opportunities provided will span all levels of the organization.

MIB will be a leader in providing information to individuals who are blind or visually impaired regarding the available assistance and technology that can enhance independence and self reliance in their careers and personal lives.

Values Statement

We will respect each of our fellow employees for their abilities to perform the multitude of jobs at MIB. All employees have a vital contribution to make to MIB's success. Every employee will use their abilities to their fullest. When necessary, we will eagerly help each other to succeed in our tasks so that MIB can be a success. We will uphold the trust placed in all of us to maintain a safe and productive work place.

We will respect the needs of our customers and will strive to meet their needs not only in quality, but in delivery and quantities. We realize that without our customers we would not be able to complete our mission and this responsibility is taken very seriously. We value our partnership with our vendors. We will treat our vendors fairly and honestly. The partnership can succeed only if both parties succeed in the endeavors undertaken. MIB will be a good corporate citizen in the communities we serve.
